Effective from: October 2022

Rules relating to Eastern Counties C.B.A. Events

Registration

In any one season a player can only represent one county at all Eastern Counties Events, the season commences 1st September.

Once played in a closed competition or county team match for a county, that is the county you have chosen to represent for that season, and is the only county in which you can play in either closed competitions or county team events during that season.

Playing Rules

All matches are played under the English Carpet Bowls Association Rules.

Players Names

Prior to the commencement of a League Match the Team Captain is to issue to the opposing Team Captain the names of their team players. Should a substitute be used after the Team Sheet has been issued, the name of the substitute player must be informed to the opposing team captain before taking part in the match.

At the Six Counties Championships and the Teambowl, the Team Sheet is to be handed in at the Control Desk where it will also be notified should a substitute be used.

Substitutes

A maximum of 2 substitutes can be used at League Matches, the Six Counties Championships or the Teambowl. Such substitutes may play in any position other than skip. Once a player has been substituted they would not be allowed to take any further part in the match.

Should more than 2 substitutes be played in a League Match, the 2 points for the game where the extra substitute is used will automatically go to the opposing team.

Should more than 2 substitutes be played in the Six Counties Championships or the Teambowl, the team will be disqualified from the event the extra substitute is used.

Continued

When a team arrives with a player short at a League Match

Should a team arrive at a league match without a full squad, a team member can be picked from those not playing during the session the player is missing.

The player or players (up to 7) must be drawn before the commencement of the match. No player can play more than 4 games.

If a county has 8 players short then the match would be void and would need to be re-arranged.

Players drawn out cannot play in the same position as they are already playing or as skip in the game where they are replacement bowler.

Champion of Champions

As this is not a team event, once play has begun no replacements will be allowed.

If a player has to withdraw for any reason, the results of any games that have already been played by that individual/team will be deleted.

Deciding the Colour of Woods

At League Matches, the Six Counties Championships, Teambowl tournament and Champion of Champions, the first named team will play with black woods.

Referees

At all events the host county is to provide Official Referees to carry out measuring if required. An Official Referee will have received training by the English C.B.A. and be qualified to measure.

Time Keeping at Tournaments

At the Six Counties Championships and the Teambowl, a whistle will be used to start and finish each session. A whistle will be used only to start games at the Champion of Champions.

Completion of Games – Score Cards

At the completion of a game, the Skips are to ensure the score cards are correct before signing.

Should an error be discovered at any stage prior to the announcement of the final results, the Captains of the teams involved will go to the Control Desk and confirm the correct score, and upon their confirmation the error can be corrected.

The County Captains will also have the opportunity to double check the final results before they are announced.

League Matches

The host county is to advise the visiting county full details of the league match. This to be advised a minimum of 4 weeks prior to the game covering the standard playing format, venue and refreshment details.

The standard playing format is that as devised by the League Secretary and also shown on the score sheets which are issued by the League Secretary.

The host County should choose a venue for league matches bearing in mind the visiting county. If any issues arise then the visiting county must point these out to the host county.

League Match Result Sheets

The host county team captain is to forward the match results to the League Secretary as soon as possible by e-mail.

League Match Postponement

Should a match need to be cancelled through inclement weather, a final decision could be made on the morning. It would then be left for the counties to re-arrange the match.

Should a match need to be rearranged, every effort should be made for the match to be played before the last set of matches are played.

It would also be left for those counties to sort out any costs relating to hall hire if a match is cancelled. This matter would only be taken to the Eastern Counties Committee for any decision should the counties involved be unable to resolve.

Mobile Phones

Mobile Phones to be switched off when in the playing area.

Dress Code

Top – team colours as specified by your own county for county team events, club colours or county team colours for the Champion of Champions.
Smart/casual trousers or skirt.

What will not be allowed are:

Jeans or skirt/trousers made of similar material or style; shorts; track or jogging suits of any type or T-shirts.

The Officers of the Eastern Counties CBA reserve the right to exclude any player wearing clothing that is considered as being outside the prescribed dress code.
